EUROPA HOUSE

LOCATED on a peaceful residential street in Little Venice, EUROPA HOUSE is removed from the bustle of the city centre, but Oxford Circus is no more than 15 minutes away by Tube. Regent's Park and Paddington (for the Heathrow Express) are within walking distance, Notting Hill, Hyde Park, Mayfair and London's museums are all quick cab rides away.

THE APARTMENTS

EUROPA HOUSE offers 14 luxury serviced apartments, with one, two, three or four bedrooms, each with a fully equipped kitchen. The apartments offer home-from-home freedom, discretion and a 24-hour telephone-concierge service, making it the perfect solution for professional and creative people visiting London, and for parents travelling with children. The accommodation is extremely spacious, stylish and comfortable, and the large gardens beautifully kept and privately enclosed. The apartments can be taken on a nightly, weekly, monthly or yearly basis, providing a do-what-you-like base that makes family travel a pleasure. EUROPA HOUSE is also minutes away from the organic-lifestyle shops and cafés of Clifton Road.

DESIGN AND DETAILS

Chic textiles, decorative metal and mosaic, and one-off pieces by Tom Dixon and Mark Brazier-Jones give EUROPA HOUSE a sophisticated style that is all its own. Wooden floors, deluxe bed linen, marble bathrooms and streamlined white/chrome kitchens lend an unfussy, modern appeal. The artworks and collectible furniture are by no means just for show; the apartments are meant for living in. Guests can spread out, relax, entertain, cocoon, play and make themselves completely at home.

THE EXTRAS

Helpful touches abound, from the coveted underground parking spaces to a grocery-shopping service. A 24-hour telephone concierge service will help you book any show, concert or restaurant in town; or you can stay in and order dinner from excellent local restaurants. Complimentary welcome items await guests in their apartment: REN Skincare products, Fair trade tea, coffee, sugar, hand-baked cookies, hot chocolate, organic milk and mineral water.
